January 2020

As we pass into a new year let us give thanks for the blessings of 2019, let us recall the guidance and comfort of the Lord when times were hard. Let us move forward in His power and strength as we face 2020 and all that it will bring.

May the Lord bless, guide and strengthen us all in 2020.

A very warm welcome especially if this is your first time with us this morning. We are relaxed in style as we worship together and want all those who worship with us to be able to relax and feel the presence of God.

We are delighted that you have joined with us. If you have children or babies with you, we have a superb range of activities for all ages which start during our service and will be announced from the front.

If you would like someone to pray with you today please ask one of the people who led the service.

If you would like more information on being involved with Community Church, please complete one of the 'welcome' cards in the front lobby.

HAPPY NEW YEAR 2020
